

**Research on the Social and Environmental Factors on Worker's Food Safety
Practices in Hospital and Prison Cafeterias**

Letter of Consent of the Manager of a Food Service Facility.

I have read the letter of introduction and agree to allow employees who work at my food service establishment to take part in the survey. I understand that their responses will be kept strictly confidential, and that neither their name, the names of co-workers and/or managers, nor the name of the place where they work will be identified in any report or communication that uses information from this research. I also understand that if they have any concerns that they may discontinue participation at any time during the interview. I also understand that if I have any concerns that I may contact the principle investigator Dr. John Doe at Concordia University College of Alberta at (780) _____ or by e-mail at _____
